

9/28/09

Dear Parents,

I hope you were able to enjoy the weekend.

The first **Early Release Day** of the school year is Wednesday 9/30. School will be dismissed on this day at 12:35, so please make the necessary Day care arrangements for your child.

Thanks!

Some students have gotten off to an excellent start by returning homework; reading & returning the DOT book daily; and returning the folders. A *few* students have been having difficulty with these tasks. If your child falls under the *few* category, then please extend the extra effort and help your child to be successful in school. Check and look over your child's homework and listen to him/her read even if he/she says that it was done at Daycare or an after school program. Your involvement in these early years will really pay off for him/her in the later years. Thanks!
